Monday 16th March 2020

Dear Parents/Carers,

I am writing today to inform you that unfortunately the after school Science club will be postponed until further notice. This is due to Nottingham University, who supply the learning leaders to run the club, deciding to deliver all teaching to their students online and as such many of the students will take the decision to return home.

When the university students return back to normal lectures we will hopefully be able to restart the club and we will be in contact with you when we have further information.

Kind Regards,

Mr Slight,
Key Stage 2 Lead
