Potato Inspiration!

We have decided not to do fancy dress this year as we really wanted to focus on the reading and we know parents went to a lot of effort and expense with the recent historical cat walk day and didn't want to put this pressure on you after you did so much to support your child's learning for the last topics. If you want to tweet us to show us any of your story sharing at home please do so @StPatricksNotts. Reading is such an important skill and we thank you for all the hard work you do to support your child's reading every day.
