**OUR LADY
OF LOURDES**

CATHOLIC MULTI-ACADEMY TRUST

Headteacher: Mrs T Lane

25 November 2019

Dear Parents/Carers,

MEASLES, MUMPS, RUBELLA (GERMAN MEASLES), CHICKEN POX and SHINGLES

Please may we ask for your cooperation in an important manner?

One of our pupils is receiving medical treatment that puts them at risk if they are exposed to measles, mumps, rubella (German measles), chicken pox or shingles.

If your child is suspected of having measles, mumps or rubella (German measles) please let us know **immediately**.

The pupil is also at risk of chicken pox and would need to be given an injection within 3 days of contact with anyone who has chicken pox. If your child is suspected to have chicken pox again please notify us **immediately**.

It is also important to let us know if there is shingles in your household.

Your child is not at any risk whatsoever from this situation however, the health and well-being of our pupil who is at risk does depend on the cooperation of all parents and we would greatly appreciate if you would support us in keeping them safe.

Kind regards,

Mrs Tess Slight
Deputy Headteacher, SENDco and DSL
