Year 5 Space Centre Trip

Thursday 23rd April 2020

Dear Parents and Carers,

Unfortunately due to the current school closure we have not been able to run the arranged Year 5 trip to the National Space Centre.

We still intend to run this trip at a later date and we will be able to provide you with further information when we schools have reopened.

We have also been successful in our application for an Education for all grant from the National Space Centre Charity that will allow us to further reduce the cost of the trip for our children. Again we will be able to provide further details and refunds to those who had already paid their voluntary contribution when schools open.

Best Regards,

Mr Slight, Key Stage 2 Lead and Educational Visits Coordinator.
