Dear Brothers and Sisters,

Pope Francis' Message for the 107th World Day of Migrants and Refugees 2021 invites us to work 'Towards an ever wider "WE"'. In his message we are called to reflect that 'We are all in the same boat and called to work together so that there will be no more walls that separate us, no longer others, but only a single "we", encompassing all of humanity.' He continues to say: "...we find many migrants and refugees, displaced persons and victims of trafficking, to whom the Lord wants his love to be manifested and his salvation preached." Let us be encouraged by Pope Francis' message and show neighbourhood closeness to them in their vulnerabilities. Simple practical kindnesses can generate the "we" of our concern for them. May they not feel simply the "I" of facing their difficulties alone.

Prayer

Holy, beloved Father, your Son Jesus taught us that there is great rejoicing in heaven whenever someone lost is found, whenever someone excluded, rejected or discarded is gathered into our "we", which thus becomes ever wider. We ask you to grant the followers of Jesus, and all people of good will, the grace to do your will on earth.

Bless each act of welcome and outreach that draws those in exile into the "we" of community and of the Church, so that our earth may truly become what you yourself created it to be: the common home of all our brothers and sisters. Amen.

God Bless

Fr. Wilfred Pereppadan SCJ

"What kind of world do we want to leave to those who come after us, to children who are now growing up? (#160) "
