13th January 2023

Dear Parents and Carers,

School Meal Price Increase

With effect from Monday 20th February 2023 (after February half term holiday) Aspens is increasing the price of a two course school meal for pupils in Years 3, 4, 5 and 6 increase from £1.95 to £2.45.

This increase is necessary as Aspens can no longer absorb the recent increase in costs. This is the first price increase for school meals since September 2016 and still represents excellent value for a two course meal.

Healthy school meals, cooked on the premises, are available each day. There is a three weekly rolling menu detailing each day's main course and dessert. We also offer a vegetarian option, jacket potatoes, pasta or a sandwich option as main course. The Government have continued to support the Universal Infant Free School meals project and this means that all of the children, in Reception, Year 1 and Year 2 can be provided with a school meal free of charge.

If your child is eligible for free school meals they will continue to receive meals free of charge.

If you would like to apply for free school meals please apply using this link:

<https://ololcmat.co.uk/ppcheck> (please note, this redirects to Derbyshire County Council). When you are applying online, in the school name section please choose:

8923316 St Patrick's Catholic Primary and Nursery School.

If there is a difficulty in providing payment of meals, please contact the school office as soon as possible. All queries and requests for support are confidential and we will always work with families to ensure that a solution is found.

Thank you for your support and understanding.

Kind regards

Miss Ferrara
