Dear Parents and Carers

FS take on CAFOD's 'BIG WALK' CHALLENGE 2023

This Lent, the EYFS unit will once again be throwing their support behind the vital work of CAFOD by taking part in CAFOD's BIG WALK.

On Wednesday 22nd March, all pupils in FS1 and FS2 will be walking from St Patrick's school, to join the parish for Mass at 10 am. After Mass, quick drink and biscuit for refreshment, we hope to walk with the parish community to the War memorial on the Embankment (FS1 pupils will walk straight back to school). If parents would like to join us for this walk, we will be leaving school at 9:25 – a reply slip is attached below to let us know you will be joining us.

Our walk is to raise money for CAFOD and the work they undertake supporting people around the world, particularly focusing this year, on those effected by Climate change. If you, family members and friends were able to support us on our work by offering a donation, we have charity boxes in both FS1 and FS2 – ALL contributions are warmly welcomed.

We are extremely grateful for your continued support.

With kind regards

The EYFS Team
