Dear Parents/Carers

### **Year 5 Egyptians Day**

To begin Year 5's exciting new Egyptians topic in September, the children will participate in an Egyptian Experience Day led by Partake History on **Thursday 14<sup>th</sup> September**. Partake have worked with many of the classes in school this year to launch their History topics and now it is our turn to experience their hands-on activities to learn more about the Egyptians! The day will include the chance to examine Egyptian artefacts, try costumes and to role-play the lives of the people who lived in this time.

In recognition of the positive impact this experience will have on the children's learning, and in light of the cost of living crisis that is affecting everyone, we will be subsidising the cost of this Experience Day by £5 per child. This means we will require **a voluntary contribution of £4.70 per child** from families to support this experience. This will enable everyone to participate and benefit from a rich, valuable learning experience delivered by experts when we return to school in the new academic year. **Please can all payments be made via Arbor by Friday 14<sup>th</sup> July** to enable this fantastic and engaging learning experience to go ahead – previous year groups have participated in the same workshop and it has been a valuable addition to their learning on the Egyptians in school. **Unfortunately, if we do not receive enough voluntary contributions we will have to cancel this event.**

Kind regards
