

Headteacher: Miss L Ferrara

July 21st 2023

Dear Parent/Carers,

As we near to the end of the summer term and this academic year, there are lots of items to share with you and celebrate.

St Peter and St Paul Mass

We celebrated this wonderful occasion at school a couple of weeks ago. Pupils, who have this year received The Sacrament of First Holy Communion for the first time, led us in our celebration, reading and singing beautifully. We thank Father Pitak and Brother Andrew for joining us and celebrating Mass on this day.

We would like to invite you to our final Mass of this term on **Monday 24th July at 1.30pm** where we will celebrate and give thanks for our all our achievements this year and for our Year 6 children.

New School Cross

You will have noticed the new school cross at the front of the school building next to the bell. I'm sure you will agree that it is a wonderful addition to our school to celebrate our Catholicity. We also have a new cross in the school hall in readiness for the school's birthday next term.

Happy Birthday St Patrick's School!

Next half term we will be celebrating the school's 60th birthday! Please join us for Mass on **Monday 16th October at 2pm**. Please do put the date in your diary to join us. It will be celebrated by Bishop

Patrick whom we are very excited to have in school. We would love to celebrate this important occasion for the school with as many of you as possible, including past pupils and staff. Please spread the word!

Choir Concert

Last week we were treated to a choir concert by Years 3 and 4 who showcased their wonderful singing skills. Years 3 and 4 have worked with Mr Treloar since the start of the year and sang a range of modern and traditional songs with confidence and positivity. Mr Treloar will continue to support the school next year in this way and in his new role as a school Governor. He will also be on hand to support during Hymn Practice which is very exciting for the school indeed.

Belief In Brief

The Nottingham Diocese are hosting a series of sessions for parents and carers called 'Belief in Brief'. The aim of the virtual sessions is to provide an exploration of the Catholic faith in a relaxed and informal way. Further information can be found on the poster at the end of this newsletter

New Books

We are delighted to have been able to replenish the books across the school this term. The children now have brand new reading books ranging from classic stories to current issues with an array of characters to engage and inspire the children. The school library has also had a refurb, with a new comfortable, seating area ready for children to enhance their love of reading even more. We hope to continue replenishing book stocks each year. We will keep you posted.

New members of the family – The St Patrick's fish!

We have key new members of our school family in the form of fish! They can be found in large green fish tank in the school library and have been a big hit with the children. When you are in school next, please feel free to have a look and say hello!

The St Patrick's Way

In the last newsletter, I informed you about our new *SHAPE* initiative to encourage our children to speak with clarity and confidence.

Last Monday, we spoke to the children about positive habits of attention when listening to others in class. Within our

behaviour policy, we have titled this as *SLANT*. This stands for **S**it up; **L**istening; **A**sk and Answer questions; **N**od your head when appropriate to show polite listening and **T**rack the speaker. We held an assembly to explain the importance of showing others we are listening, what this positive habit looks like specifically and explained that this ensures we value and respect each other and ourselves. The children have responded to this really well and will hopefully be able to tell you all about it at home.

Aladdin

Year 6 wowed the school this week with their dress rehearsal performance of Aladdin. They sang with such joyful energy, spoke with confidence and there were jokes galore throughout! Everyone was thoroughly entertained by their acting and singing skills and it was quite clear to see that we have some children who were born to be on stage! They truly put a smile on everyone's faces during the dress rehearsal and it will be a wonderful way to end the week when they put on their final performances this afternoon and later this evening.

PFA

Next year we are keen to bring back a PFA. A Parent Friend Association is a group of volunteer parents who are eager to facilitate parental participation in school, raise money by organising events and fundraising in a variety of ways. If this is something you are interested in, please let the school office know and we will be in touch in September.

Farewell and Good Luck

We wish Miss Long and Miss Dexter-Eyre the best of luck as they begin teaching in their new schools in September. We thank them for their service and dedication to the school and we will keep them in our thoughts and prayers as they embark on new adventures.

Sports Update From Miss Lane

Firstly, I'd like to thank everyone for the amazing contribution to the sports provision in St Patrick's this year. Thank you to Miss Thornhill for going above and beyond in the extracurricular activities she has provided. Thank you to all the children who have participated and demonstrated teamwork, resilience and enthusiasm. Thank you to all the parents and carers who have facilitated such an amazing turn out for after school clubs, before school clubs, lunch time clubs
