

ST PATRICK'S WORD OF THE WEEK:

# LISTEN

St Patrick's Value Focus

This week as we focus on listening, **be resilient** to really focus on being a good listener and not letting yourself get distracted.

Listening is an important part of dialogue. It means paying attention to what others are saying and trying to understand their point of view. Listening is not just about hearing words; it is about hearing the heart. We are called to be good listeners and we should make sure to listen to those who are different from us. Above all we should listen to what God is calling us to do in our lives.

Spend some time in prayer and listen to what God might be calling you to do for those around you.

READ Matthew 21: 28 – 32

A man had two sons; he went to the first and said, 'Son, go and work in the vineyard today.' He answered, 'I will not'; but later he changed his mind and went. The father went to the second and said the same; and he answered, 'I go, sir'; but he did not go.

**THINK**

In this week's Gospel, Jesus asks us to think about whether our words and actions are in agreement. This means do we really do the things we say will we. This week try to follow through on all your promises, for example if you promise to tidy your room really do it or if you promise to listen more this is the week to really do it.
