

St Patrick's Value Focus

As we are called this week to think about how we can make our community more like the kingdom of heaven; one of the easiest ways to do this is to be the best version of yourself.

ST PATRICK'S WORD OF THE WEEK:

KINGDOM

The Kingdom of God is a place of peace, justice, and love. It is a place where everyone is welcome and everyone is loved. The Kingdom of God is not a place that we will find on a map, but it is a way of life that we can work towards building in our own lives and in the world around us.

Think of one thing you can do to make your community more like the kingdom of heaven.

“In so far as you did this to one of the least of these brothers of mine, you did it to me.”

THINK

In this week's Gospel, Jesus tells a parable about the kingdom of God and those people who treated Jesus with kindness will be welcomed in. The people listening are confused as they don't remember a time when they gave Jesus food, drink, or medicine but Jesus says when you did this to someone else you did it to me. Bishop Patrick invites us to 'seek the face of Christ.' By treating everyone like they are Jesus we can help make the world a kinder, fairer, and happier place to be.

PUT YOUR FAITH INTO ACTION!
