

ST PATRICK'S WORD OF THE WEEK:

YOUTH

St Patrick's Value Focus

On Friday, we will celebrate Youth Fun Day. Let us come together as a school community to celebrate the joy we bring one another.

Young people have a vital role to play in the life of the Church and in the world. They offer hope, inspiration and courage. We are all called to be young in our outlook and our attitude and we can see in young people and example of how to live life to the full.

Make the effort to have a positive and youthful attitude this week. Help others to see hope in difficult situations.

THINK
In this week's Gospel, we are reminded that we are always given talents, each one unique. Jesus reminds us that we must use our talents to help others and not bury them away. This week think, how will you use your talents to help others?
