Year 3 DT Boxes

Friday 1st March 2024

Dear Parents/Carers,

As part of our current DT topic on pneumatic toys, the children in Year 3 will be making their own pneumatic toys. Please see the first picture for an idea of what this product will look like.

In order to make this product, each child will need to bring in a small card box with a hinged lid, like a teabag box (see second picture). Please can your child bring into school a small box that you no longer need that they can use to create their product. **Please label the box with your child's name** so that we can match each box to the correct child when we make our products in a couple of weeks' time.

Please can your child bring in their box **by Friday 15th March**, as we will then start to make our pneumatic toys after that.

Thank you for your support,

Mr King
