Dear Parents/Carers,

Year 5 National Space Centre Educational Visit

We are excited to inform you that Year 5 will be visiting the National Space Centre in Leicester on **Monday 13th May** as part of our new Science topic, "Earth and Space".

At the Space Centre, the children will have the opportunity to explore the different galleries, learning about our place in the Solar System, the realities of space travel and the ways in which we continue to explore our galaxy. We will also experience a session led by an expert in the Sir Patrick Moore Planetarium and see a space rocket up close in the Space Centre's Rocket Tower. Last year's Year 5 really enjoyed this trip and I am excited for our class to have this amazing learning opportunity to support their Science learning.

Your child will need to bring a packed lunch (no glass bottles or fizzy drinks) with them on the trip day. However, if your child is eligible for free school meals, a packed lunch will be provided by the school but you will need to provide them with a drink please.

In recognition of the positive impact this experience will have on the children's learning, and in light of the cost of living crisis that is affecting everyone, we have decided that this workshop will be funded fully by school. There will be no voluntary contributions required from families to support this trip. This will enable everyone to participate and benefit from a rich, valuable learning experience delivered by experts at the National Space Centre.

Please return the attached consent form before Friday 3rd May 2024 to ensure your child is able to take part in this exciting trip.

Kind regards

Mrs Pirie
