

Headteacher: Miss Ferrara

2nd December 2024

Dear Parents/Carers,

Here at St Patrick's School, we believe that there are certain life experiences that are a **MUST!** Your child will soon be bringing home a booklet filled with all kinds of weird and wonderful learning experiences.

The list has been created using ideas from the children, parents, staff and the governors of St Patrick's that together we feel are:

'50 Things To Do Before You Leave St Patrick's!'

In the style of a **Learning Passport**, simply tick off and date any of the experiences once complete.

Why not complete them together as a family?

From star gazing to stone skimming, there are some glorious learning opportunities not to be missed in life, especially during the precious years of childhood.

Some of the learning experiences are **tough**, some will make you **smile** or even **squeal** and some will make you **laugh out loud!**

If you would like more Learning Passports for the whole family, please contact the school office.

With best wishes,

Miss Ferrara
