

Whole-School Reading Curriculum Progression Map

The following documents maps out the key skills children should be demonstrating by the end of the year, if they are working within the expected standard for their age. These standards have been explicitly taken from the Development Matters, Early Years Foundation Stage Framework and National Curriculum.

The document makes reference to the word lists found within the spelling appendix to the national curriculum (English Appendix 1). Teachers should refer to these to exemplify the words that pupils should be able to read as well as spell. These are denoted in the document using * where mentioned.

For a more comprehensive breakdown of expectations within our Early Years please see the OLOL Early Years progression document. Additionally, the RWInc program of study will provide more detail into the progression of GPCs taught across EYFS and KS1, as well as outlining the structure and sequencing of daily Phonics lessons.

As outlined in the National Curriculum, Reading at St Patrick's is broken into two dimensions:

- **Word reading**

- Phonics and Decoding
- Common Exception Words
- Fluency

- **Comprehension**

- Understanding and Correcting Inaccuracies
- Comparing, Contrasting and Commenting
- Words in Context and Authorial Choice
- Inference and Predication
- Non-fiction
- Poetry and Performance
