Dear Parents and Carers

Life to the Full – Session about Death and Grief

As part of your child's RE and RHE learning, we will be completing a lesson on the human cycle of life which introduces children to the topics of death and grief in a sensitive, age-appropriate way from a Catholic faith perspective.

In the session, your child will learn:

- What 'death' means
- About some feelings often connected with grief
- What the Christian faith says about death and eternal life
- Some ways to support themselves and others when they are grieving.
