Dear Parents and Carers,

Exciting Opportunity: Join Our New Spanish Club for Reception (FS2), KS1 & KS2 Pupils!

We are excited to offer a wonderful new opportunity for pupils in Reception (FS2), Key Stage 1 and Key Stage 2 to join our **Spanish Club** from September. It will run every Thursday, after school for the whole academic year and is designed to enrich the curriculum and deepen children's love for language learning!

Learning a new language at a young age offers a wide range of lifelong benefits. It not only supports cognitive development and improves memory, but also enhances listening and problem-solving skills. Language learning fosters creativity, cultural awareness, and builds confidence – all key skills that will benefit your child across their education and future life.

We are teaming up with La Jolie Ronde who are experts in delivering fun, interactive, language lessons that are tailored to the age and stage of each group, introducing children to basic vocabulary, everyday phrases, and elements of Spanish culture through games, songs, and engaging activities.

Key Information:

- **Who can join:** Pupils in FS2, KS1 and KS2 (Reception and Years 1-6)
- **When:** Thursdays, after school
- **Where:** St Patrick's School
- **Start date:** September 2025
- **Duration:** September 2025 - July 2026
- **Cost:** see attached letter
-

We would love for your child to be part of this enriching experience. If you would like to register your child, please complete the attached booking form by 1st July, 2025 and return it directly to Melie at La Jolie Ronde.

We look forward to inspiring our young learners and sparking their enthusiasm for languages!
Warm regards,

Miss Meier

Dear Parents,

We are looking to start Spanish club lessons at the school commencing from next term in September, and I would like to introduce myself and my colleague Carly Williams and give you some information about our classes.

My name is Melie Hita, I am a native Spanish speaker from Barcelona.

I am a qualified, trained, CRB checked licensee for La Jolie Ronde and I use their amazing methodology to teach children from babies and toddlers to up to 13 years old.

I have been teaching Spanish to children and adults for over 12 years and I love how rewarding it is to see how they progress and how much they enjoy it.

My colleague Carly is an experience language teacher in Secondary school, she has worked for the past 17 years in a secondary school helping children achieve their potential when studying their GCSE and A Level, and she is fluent in Spanish. She is also, a qualified, trained and CRB checked tutor for La Jolie Ronde.

We are looking to do Spanish Club on Thursdays after school.

Our programmes are as follows:

"Las Aventuras de Mifú y Tina y los juguetes" and "Las Aventuras de Mifú y Tina y sus amigos" (both aimed for children age 4 to 7 years old in Reception, Year 1 and Year 2)

"Hola Pedro y Carmen" (aimed for children age 7 to 8 years old in Year 3 & Year 4)

"Buenos días España" (aimed for children age 8 to 11 years old in Year 5 & Year 6)

We are looking to start the classes in September depending on numbers.

The classes run in a normal club form and operate on a termly basis.

The programmes are designed to enhance their learning skills and to challenge the children, so that they can excel at Spanish and develop their language skills to the highest level possible.

The groups will be of maximum 13 children to allow individual attention when required and the duration of the lessons are 30 minutes.

I would require that the parents sign up for the termly course and the cost is £8.00 per child per lesson.

An integral part of the course is the fun activity book and La Jolie Ronde media player app to access the interactive audio CDs, to help with your child's learning and last for a minimum of a school year. This will be a one-off cost of £23.00.

There is also, a free parents' guide with a transcript from Spanish to English of all the stories and songs to assist parents with helping their children with their homework or to practice in between classes.

The La Jolie Ronde classes provided by Inspirational Languages would offer:

- A unique structured language course established for 42 years
- A native accent for the children to hear and copy
- An opportunity to develop an enthusiasm for languages
- Small classes with plenty of individual attention and learning with children of his/her own age
- Conversation, basic grammar, games, role-plays, rhymes and stories
- An overview of the Spanish speaking countries. An awareness of Spain, its geography and culture
- Yearly reports on the children's progress
- Spanish certificates awarded on completion of each programme
- Guidance for parents to encourage & help their child at home
