Punctuality

A reminder that school doors close at 8.50am, if you arrive after this time your child will be marked as late. Ensuring children arrive on time to school every day supports positive routines as they grow. It also ensures that children are able to maximise every moment of their learning. Thank you for your ongoing support with this.

Colour Fun Run

On the 22nd May, St Patrick's will be undertaking a colour fun run in support of a local children's charity, Lifting Children's Hope. This will take place on the school field.

This charity has already helped a number of our families with trips to see Santa, Christmas presents and family hygiene packs.

Should you feel like your family may benefit from support, please email the school office and your request will be handled discreetly and confidentially.

A letter has gone out today with further information and finalised plans will be sent out by the end of the week.

The event will cater for all children including those who do not wish to be covered in powder paint due to sensory or other reasons.

Headteacher Update

As you will know, I am currently expecting a baby due in July. I'm hoping to begin my maternity leave in June. Thank you to all of you who have checked in on me it is very much appreciated.

In recent weeks, a selection process has been underway to seek a replacement headteacher until Miss Ferrara returns in November. I am very happy to announce that Mrs Cannell will be our interim headteacher. I'm sure you are just as thrilled as me and I know St Patrick's will be in very safe hands.

You can contact school through our admin email, phone, or coming to the main office.
