Headteacher: Mrs J Cannell

St Patrick's
Catholic Voluntary Academy

22nd June 2026

Dear Parents/Carers

As I am sure you are aware this week we are expecting extreme weather conditions in Nottingham, with temperatures expected to reach 35°. To keep all children safe in these temperatures the following measures will be put in place.

- Pupils can come to school in their PE kits (white t-shirt and green shorts) no tracksuits, joggers or leggings
- **Outdoor play at break and lunchtime** will be significantly reduced - children will still have their breaks but these will be in classrooms
- **Fans** will be in place in all classrooms
- Water sprays and cold cloths will be available to keep pupils cooler
- Pupils will have **access to water** across the day and will have breaks in lessons where they are asked to have a drink. For this week only, squash will be available for pupils, to encourage staying hydrated. School are also happy for parents to **send frozen bottles** of water/squash to drink in school
- Pupils do not need to bring their jumpers to school this week

Please ensure before sending pupils to school you have:

- Applied sun cream (we are unable to support with this in school)
- Ensured your child is wearing a sun hat

Thank you for your support.

Mrs Cannell
Acting Headteacher
