

Hello everyone. We are **Angel** and **Alfie**, your Pupil Voice leaders.

Here are your latest suggestions.....

**Essien asks if children can come in Non Uniform on their birthday**

Pupil Voice say no because it would make non uniform days not special anymore. Also, children who had birthdays at the weekend or during holidays would miss out, so it would not be fair.

**Adam and Wojeich ask if Class 6 could have a party if all the class pass their Champions times tables.**

Pupil Voice says that last year, Class 6 had a party because all of the class passed their Champions award. It seems fair that Miss Leggott would make sure that this year's Class 6 would get the same if they all passed.

**Kyira suggests that Class 4 have a cake sale.**

There is already a Cake Sale planned by Class 5 for next week to raise funds for Cafod. Perhaps Class 4 could organise one another time for Charity.

**Phoebe, Tyler and Ashley suggest that we have another school Flash Mob.**

Pupil Voice know that this was an enjoyable way of raising money for Charity. Perhaps the Chaplaincy team can think about this when planning Charity events for next year.

**Fiona asks if there could be pancakes and waffles at the Tuck shop.**

Pupil Voice says that it is unlikely that Waffles and pancakes would be allowed at the Healthy tuck shop. The Cook can only sell what they are allowed to sell. Pupil Voice will ask the Cook.

**Lili-ela wants to know if we could have more fundraising activities at school.**

Pupil Voice says that we always want to help others with fundraising, but we cannot have too many of them because they would not be special, and people would not have enough money to support all of them.

**Adrian in Year 6 asks if Sport can be a school subject.**

Pupil Voice say that Sport is already a school subject. It is on the curriculum taught every week, and children have to learn skills. Mr Bingley and the teachers do reports about how well we are doing.

**Malcom asks if we are selling Red Noses this year.**

St Patrick's School will not be selling Red noses on Red Nose Day. We already have done lots of other Charity fundraising events and have other Charity events already arranged.

**Phoebe and Quezia in Year 3 want to know if the PFA can do a Movie night showing 'Disney's Descendants'.**

Pupil Voice will ask the PFA to consider this next time they are planning film night.

**Essien asks if children could stay inside and drink cocoa when it is cold.**

Pupil Voice say no for health and safety and money reasons! Staying inside and not exercising and drinking cocoa would not be healthy. Pupil Voice also wonders where the money would come from to pay for the cocoa, who would make it, and also worries about hot drinks spilling on children.

**Here is some other news.....**

**Mr Bingley has asked Pupil Voice to ask classes 3,4,5 and 6 some questions about the Sport that they do with him each week. We will be coming to your class to get your answers today.**

At the same time, we will also be asking Classes 3,4,5, and 6 for any suggestions about what they would like in the Healthy tuck shop.

**Last time, Yami said he wanted to meet with the PFA and ask them some questions. We asked him to write down his questions first and let us have them. Yami – we are still waiting for your questions.**

Also, last time, there was a request for a Friendship bench on the playground. We thought it was Cadie who had suggested it but it was not. If the person who suggested the Friendship bench still wants us to think about it they need to let us know today please.
