

Hello everyone. We are Ty and Amy, your Pupil Voice leaders.

There was a meeting of the Pupil Voice Team Yesterday.

The posters reminding you not to drop litter in the tuck shop eating area have been finished and are now displayed around the Tuck shop eating area for all to see.

Thank you everyone, for putting their rubbish in the bins. But remember to keep your eyes open for those who might forget and give them a gentle reminder!

Pupil Voice say a big thankyou to Class 5 and Pupil Voice, and to all of you in our school, for the fantastic non- stop Flash Mob dancing a few weeks ago. We have already raised nearly £700 towards the Funds to help Refugees from Syria. Make sure you check out the awesome display of pictures of the Flash Mob day on the board in the hall corridor. Well Done everyone – you were really marvellous!

About a month ago, there was a request on the Pupil Voice Suggestion Board, for Year 6 and 5 to have Tag Rugby after school sessions. Mr Bingley has already arranged for the most popular clubs to take place on Monday and Friday after school for the rest of the year. He has said that he would consider having a Tag Rugby Club at lunchtimes if there were enough children interested.

Pupil Voice carried out a survey to find out how many of you would be interested in attending a Tag Rugby Club. Here is the result of the survey Amy and I did.

These are the suggestions that were on the board recently.

Can we have Taco for dinner please?

Pupil Voice agreed that Ty and Amy would ask the Cook about this and they will report back with her answer.

Can we have an afternoon break, but take 15 minutes of the lunchtime break instead?

Pupil Voice say that we need the time at lunchtime to make sure that all children can have their dinner without being rushed. Also it means that they can have a good run around to exercise and burn off energy. Having a break in the afternoon would be a nuisance and interrupt learning. Too much time would be taken putting work away, getting coats on, going to the toilet, lining up, taking coats off and sitting down ready for the next lesson. It would mean the afternoon was very disrupted.

Can we have Street dance and Hip hop dance clubs please?

These were not in the top few sports that you voted for in the questionnaire. Mr Bingley has already arranged the clubs for this year. Those who suggested the Hip hop/ streetdance club need to make sure that they get lots of votes for it next time we have a questionnaire.

Can we have computers out and play computer games during the Golden time?

Pupil Voice say that this is not possible as it would take too much time to switch on get the games up and then close down and switch off. This would leave only a minute or too to actually play the computer games as Golden time is only 10 minutes long. Also, if more than one class won the Golden time award, then there would not be enough computers to use.

In Summer can we have a Bowling sessions please?

Pupil Voice thought that this was not possible as classes are meant to be doing schoolwork. Other trips and treats are already arranged for the Summer term and there would not be enough money to spend on the cost of getting to the Bowling Alley, and getting in. Parents are already paying for other visits and trips this year.

If your suggestion was not mentioned here, it is because it has already been answered before, or there was no name on the suggestion.

Next Pupil Voice meeting will be on Tuesday 15th March at 3.00 p.m.
