

Hello everyone. We are **Angel** and **Alfie**, your Pupil Voice leaders.

Here are your latest suggestions.....

**Nana asks if children can do more Science experiments themselves during lessons**

Pupil Voice say this was a good idea as children learn best through doing things for themselves. Miss Thomas is in charge of Science so we will ask her if she can arrange for this with the teachers.

**Jian asks if we are able to have a school choir**

Pupil Voice says that it's good news for Jian, as Class 5 are going to form a choir with Mrs Hill. More news on that for Class 5 soon.

**Cadie suggests that we have more playground equipment**

Pupil Voice think that this is a good idea as the equipment often wears out or gets lost. We will ask the PFA if they can help us get more equipment .

**Skye asks if there can be more Art lessons please.**

Pupil Voice say that unfortunately there is not enough time in the week to do more Art, because of all of the other subjects that we have to do.

**Skye asks if we can have more after school clubs.**

Pupil Voice says that we already have a lot of after school clubs, and children do not have to pay for them. If we had more clubs then we would have to pay for them. Mr Bingley has lots of different sport clubs through the year for different age groups so we feel this is enough.

**Clemence wants to know if we can have more story books in school please**

Pupil Voice says that this is a great idea but costs money. We will ask Mrs Cannell, because she is in charge of the reading books in school if we can have more money spent on this. The PFA might be able to help as well.

Pupil Voice would like to congratulate our school football team who finished the Clifton South league in second place and unbeaten. We are all very proud of this achievement.

We also would like to say a big well done for the way that you all made such a good impression on the school inspectors who came to see us a few weeks ago. They said that we are outstanding pupils at an outstanding school.
