

Hello everyone. We are **Angel** and **Alfie**, your Pupil Voice leaders.

There were some questions that we discussed at our last 2 meetings that we said we would find out the answer to.

Here they are:-

1. We asked Mr Bingley about the Lacrosse club. He said that it was already planned to happen sometime after Christmas.

2. We asked the Cooks about us having Risotto and French Fries on the Menu. They told us that they have already got the menus sorted for now but after Christmas, they would have a look at it.

3. We asked about buying a new set of Basketball nets for the playground. These are now being ordered by the school office.

4. We had lots of suggestions for Charity fundraising. We have decided that we will make a Children's Christmas Quiz for you to buy. There will be prizes for the winners. The money raised will go towards the building of the new school in Ghana.

5. We saw that lots of people liked the Parents day where parents come into school to see us in our lessons and walk around school. There is going to be another one after Christmas.

6. People asked if we could have chocolate on sale at the PFA Discos. We asked Mrs Chandley about this. She said that they already sell chocolate mice at the discos, but at the Christmas disco in a few weeks they will be having more features like the chocolate mice.

We remind you that you must write very neatly on the Suggestion board and put your name too. Because children had not written neatly on the board this time, and some had not put their name by their suggestion, we were not able to look at any of your suggestions.

Angel and Alfie
Pupil Voice Leaders

Next Pupil Voice meeting will be on Tuesday 15th December 2016
