

Hello everyone. We are Ty and Amy, your Pupil Voice leaders.

These are the suggestions that were on the board recently.

Could we have a wider range of choices at Lunch please?

We felt that there is already a range of choices available each day, and also if there was a very large choice, lots of the food may be wasted.

Can we have more fruit options on the Salad bar please?

We have agreed to ask the Cook about this to find out if it is possible.

Could we have a Movie Night every Wednesday please?

Movie Nights are arranged by the PFA. Everyone thinks they are great and a real treat.

The Pupil Voice team think that it would not be special anymore if we had Movie nights every week. Also, parents would not be able to afford it.

The PFA has already increased the number of Film nights because they are so popular, so usually there is more than one per term.

Could we have extra playtime on special days.

We already have a weekly opportunity for extra playtime with Golden and Attendance and Punctuality awards. Also there are special times like when we did well in the recent inspection, that we celebrate with extra play. If there is a lot more of Special days extra play, then they are no longer special.

Is it possible to have a breakfast Club

We are going to gather together a team of Y6 helpers to investigate whether this would be worthwhile. They will be working out what the interest will be, what problems there might be and how much it might cost. We will be working on this over the next few weeks.

Is it possible please to have more Gymnastics clubs?

We say no as we already have a Gymnastics club during the year and we need to have other sports clubs as well so that everyone gets a chance.

Can we have Jamaican food on one day every month please?

We will ask the Cook about this and let you know next time.

Can all the classes have a song competition and whoever wins gets a trip to Leicester Gardens.

We have spoken to Camilla about this as she was the one with the idea. She says that the competition would be for each class to make up a song and then perform it. There would be votes for the best song

Could we have 3d glasses for movie nights please?

Pupil Voice felt that these were unnecessary as we do not have the equipment to show 3d movies so we do not need the 3d glasses. Can the packed lunch children have chocolate bars because the Hot dinner children have ice cream and chocolate muffins?

Children are already allowed to bring chocolate covered biscuits or muffins in for part of their packed lunch. We do not allow any sweets, or chocolates.

If your suggestion was not mentioned here, it is because it has already been answered before, or your name was not with the suggestion.

Next Pupil Voice meeting will be on 14th June at 1.10 p.m.
