

Hello everyone. We are Ty and Amy, your Pupil Voice leaders.

Last time we said that we would find out from the Cook if we could have Jamaican food every month. She said that they are planning theme days and that they may have a Jamaican food day at some point during the year.

Cook says that she is not allowed to have fruit on the salad bar as well as Hot dinner choices because it would mean some Hot dinner children could end up with two puddings.

We are writing a letter to parents asking them if they would support a Breakfast club, and if so how often. We will let you know what they say in a few weeks.

These are the suggestions that were on the board recently.

Can Year 6 sell their £5 Challenge things at a break-time please?

We thought that this would be a good idea. We will be making posters to tell you all more about this over the next few weeks.

Please could we have an art week?

Pupil Voice thinks that a week is too long to do art. Children would get fed up, it would cost a lot of money, and no other school work would get done. We already have a special Art day and we think that is enough.

Could we have chocolate for our puddings please?

Chocolate muffins and chocolate mousse is on the dinner menu every so often. It can't be on too often because we need to have a wide range of puddings.

Could we have apple crumble more often please?

This is already put on the menu every few weeks.

Can we have a phone day at school?

Pupil Voice did not know why these two boys wanted a phone day. Just the thought of all children on their phones at school all day sounded crazy. We think that at school we should do school work. Also, phones might get broken or go missing!

Can we have a party after school for International day?

International day is happening on Tuesday 12th July. This is to be planned soon. We will ask the teachers if there is to be a celebration as part of this day.

Can we have a bouncy castle in school please?

It would cost a lot of money to have and keep safe our very own bouncy castle. Pupil Voice were worried about safety and accidents, where would it be put every day, who would be in charge and having to put it up and down every day. Also, we have a special Bouncy Castle at the summer PFA FUN NIGHT. Come along to that and enjoy yourself.

Can we have horse riding lessons at school please?

We thought that this cannot happen. Horse riding is not part of what we are meant to learn at school. Also, who would pay for the horses, look after them, take them to the vet when they were ill, and where would they be kept?

Please can we have Cheese and tomato paninis for lunch?

Cook says that she will have to pass on the request to the Catering department to see what they say about it.

Once again, Pupil Voice has been asked by Mr Bingley, to find out about favourite clubs for next year. So we will be coming round with our questionnaire again during Health Week (which is next week), to find out what you want.

If your suggestion was not mentioned here, it is because we could not read your writing, it has already been answered before, or your name was not with the suggestion.

Next Pupil Voice meeting will be on 12th July
