

Hello everyone. We are **Angel** and **Alfie**, your Pupil Voice leaders.

We have just had our first Pupil Voice Meeting of the Year.

Thank you to all the children who put suggestions on the notice board. Some had already been answered last year so we have not included them. Please remember to only write new ideas or questions on the Pupil Voice Board.

These are the suggestions that were on the board recently.

Please can we have chicken drumsticks on Fridays but with the bones taken out?

Pupil Voice team felt that this idea did not make sense. If the bone was removed then the person could just have eaten normal chicken. Also it would be too much work for the Dinner Ladies and waste their time.

Can we have a bouncy castle in the disco please?

Pupil Voice felt that this would be dangerous as the hall is very full of people dancing at discos. There would be no room for the DJ and his equipment, and there could be accidents as children got squashed or fell off the bouncy castle among the dancing.

Can we have a lacrosse team at school please?

Pupil Voice liked this idea. The older classes have played this game with Mr Bingley, our Sports Coach, and it is fun. We will ask Mr Bingley if we could have a lacrosse club at some time of the year.

Can we have a fun run?

The Team felt this was usually a way of fundraising money for charities. It was agreed that Pupil Voice would discuss it with the Children Chaplaincy team to find out if there are any Charity fundraisers coming up this year.

It was agreed that care would have to be taken to make sure that children with asthma were ok.

Could we have a quiz show each year please?

The Pupil Voice team thought that quizzes were fun. It was suggested that a Christmas Quiz could be created by Pupil Voice near Christmas and perhaps raise money for building the new School In Ghana.

Could we have a longer time to eat our Tuck food please?

Pupil Voice felt that this was not possible. Children need to get to classes on time to do their lessons and learn things. Pupil Voice felt that it was important that children do not buy too much tuck and that they don't talk too much. Then they would finish their tuck on time!

Could we have another Parents' Open day where they can come and see us at work?

This had been enjoyed by all the Pupil Voice team the last two times that it had been tried and the Team was keen to ask staff to have another one. Pupil Voice will ask the teachers if there is going to be one this term.

The PFA have asked us to find out from you all which film you would like for their next Film Night.

The choices are Finding Dory or Angry Birds.

We will be coming round to each class to find out this week and then we will let the PFA know which one you voted for most..

We remind all of you, that everyone has to bring a coat to school every day from now on. It is now Autumn, and we need to be prepared for rainy weather.

If your suggestion was not mentioned here, it is because we could not read your writing, it has already been answered before, or your name was not with the suggestion.

Next Pupil Voice meeting will be on 8th November 2016
