

Dear Parents

We have been approached by Mrs Lane to investigate whether or not there is a need for a Breakfast club at St Patricks Primary VA

Koala Klubs is an out of school provider that has been delivering a wide range of activities with schools across Nottinghamshire since 2008. All of our staff are qualified in their specialist area and all have fully enhanced DBS certificates.

We are now looking at whether there is a need for this type of provision and how many parents are likely to use it.

The Breakfast club would be to offer to children from Reception – Year 6 starting at 7.50AM and running until the start of school. The children will have the option to have a healthy breakfast including a range of cereals, toast and juice followed by a wide range of indoor and outdoor activities

We are very mindful of costs for parents and therefore we have tried to cost our club at a very competitive rate of £2.50 per day. (This is substantially cheaper than most breakfast clubs within the area)

We are also looking to offering a range of after schools activities, which would take place between end of school and 4.30. These sessions would include a wide range of sports, Arts and Crafts, Lego Club and many more. These clubs would cost between £2.50 and 3.50 per session

We would be grateful if you would take the time to fill in this questionnaire whether you feel you need this type of service or not, and return it to the school as soon as possible but by Monday 13th November 2017 at the latest. This will give information about the probable demand and then the decision can be made to take this project further, your information is vital to this process.

Yours Sincerely

Neil Vanderwalt
Koala Klubs
