**Headteacher:** Mrs T Lane

10<sup>th</sup> January 2018

Dear Parents/Carers,

I'm very excited to announce that school will be launching a Twitter and Facebook account in the coming weeks. There are so many exciting activities happening in school that we wanted to share all the wonderful things your children are up to at Saint Patrick's. The accounts will also be used to share important notices so you will know about what's happening in school.

The Twitter and Facebook accounts will be used as a one-way communication tool for us to tell you about the learning taking place in school and any other announcement. We will not be monitoring the accounts frequently enough to be able to reply to messages or comments in a timely manner, so you will need to contact school via the office or your child's/children's teacher for answers to questions. Negative comments will be removed in accordance with our school's code of conduct.

In school this term the children will be learning about e-safety and how to stay safe online. We will also be offering this opportunity to parents as an after-school meeting later this term to sharpen your skills about internet safety and answer any questions about social networking. The Twitter and Facebook accounts will often share pictures or videos of our learning opportunities. Our children's safety is our top priority so we want to assure you that the children will never be named in the photographs. We will be collecting the below consent form to check that you are happy for pictures of your child's learning to be shared so you can see what they are up to in school and get an extra insight into their school life.

We can't wait to show you all the amazing things that happen here at Saint Patrick's so please can **everyone** return the below reply slip by **Wednesday 17th January**.

Kind Regards,

Mrs T Slight  
Deputy Headteacher
