

RE: Photo Consent

Dear Parent/Guardian.

Your child is currently taking part in an initiative that focuses on developing life skills through the medium of sport. The project is run by the University of Nottingham Sport who work in partnership with the Indian Charity Magic Bus.

The charity Magic Bus originated in the slums of Mumbai, in which they used sport as a way to improve children's knowledge and social skills to help them develop into better young people. Some of the themes that are covered are teamwork, emotional wellbeing, communication, and understanding your strengths and areas for development.

On the 22nd of May 2 employees are travelling from Mumbai, India to visit St Patrick's school and to see the programme in action in the UK.

We therefore would appreciate if you could sign the consent form overleaf to approve/decline any images of your child being taken for both this day, and also the remainder of the programme which finishes in December.

Kind regards,

Jack Kavanagh
Sport Volunteer Officer
