26th September 2018

Dear Parents/Carers,

'Killer Kilometre Fun' for Hope in Bunkparugu

I am excited to tell you all about our latest fundraising event for Building Hope project in Bunkparugu. On the afternoon of **Friday the 5th October** all of our classes from reception to year 6 will be taking part in a 'Killer Kilometre' fun assault course! The course will be set up on the school field with a variety of challenges along a fun run course that will test teamwork and determination of all of the children at their age appropriate level.

As this challenge will be outside on the field and the children will be climbing, crawling and balancing their way through the obstacles they are very likely to get muddy and possibly wet so we will require the children to bring in change of clothes to take part. We would recommend an old pair of jogging bottoms or leggings, an old jumper or hoodie and some trainers that you don't mind getting muddy.

If children don't bring a change of clothing they won't be able to take part as we don't want them to damage their uniform.

To help raise funds to build a new school for the Parish of Hope in Bunkparugu, Ghana, a project that the whole trust has been supporting for the last 3 years, we are asking all children to bring a suggested donation of £1 however if you wish to bring more it would be greatly appreciated.

We are really looking forward to this opportunity to have a lot of fun whilst raising lots of money to help those in need.

Kind Regards,

Mr Slight
PE Coordinator
