I am a stay at home mum with two children attending St Patrick's school. I am an Irish Catholic. Despite having a disability I am very involved in my children's education. I feel I would have a lot to offer as a Governor I would have a more diverse input due to my own personal experiences. Ensuring all the children at St Patrick's receive the best spiritual and academic education possible is very important to me.

I would like to be a school governor as I feel very passionate about the school. I went to the school as a child and now my children go too. I want the school to go by strength to strength and to be a school of choice for parents. I used to sit as an appeal panel member for Nottingham City Council. I am a lawyer by profession and work as a Prosecutor.

Joanne Noone

I have four children who, I hope will attend St Patrick's. My eldest son, Jack is in Reception. I see this role as my chance to show a commitment to the community. I am a teacher at a Catholic secondary school, so I understand the challenges that schools face. I believe that I have the skills to support and challenge the Leadership team in working to ensure that our children are given the best opportunities to prepare for their future.

Alexander Richards

I am a self-employed Director of the Safe Alternative Centre CIC for over 2 years. It would be a pleasure to represent the Black ethnic community as part of the school governors team. As a winner of the Black Achievers Awards Business Man of the year award in 2016 sponsored by E-ON
