Headteacher: Mrs T Lane

11th September 2017

Dear Parents,

Welcome to Year 6. Your children have made a fantastic start to a very important school year. There is a lot of hard work to be done and we are here to support you and your children. We would like to invite you to a parents evening on Friday 6th October where we can outline our expectations for this year and provide you with practical ideas to support your children in their learning.

As you may be aware I have been working as a Mastery Maths Specialist with East Midlands East Maths Hub.

I have been selected to take part in a prestigious teacher exchange, focusing on mathematics, with a partner school in Shanghai.

I am among 70 expert mathematics teachers from schools across England taking part in an exchange as part of the Maths Hubs programme. St Patricks School is working with the East Midlands East Maths Hub.

The purpose of the exchange is to further develop the understanding and implementation of mastery approaches to teaching maths in St Patricks School, and in local partner schools I will be working with during the school year 2017-2018

Mrs Colby, who is a very experienced teacher, will take year 6 whilst I am in Shanghai. She will follow my lesson planning so there will be no gaps or disruption to your children's learning.

If you have any questions or worries concerning this please contact school.

Kind regards

Miss Leggott
Year 6 Teacher
