END OF DAY COLLECTION YEAR 6

Dear Parents/Carers,

Last year we had a number of problems with children who walked to school or home from school alone. Having spoken with other schools within our Multi Academy Trust we have made the decision that for their own safety all pupils must be collected at the end of the school day by a responsible adult over the age of 16. Please let school know which adults will be collecting your child from school.

We will review this at Easter for our year 6 pupils and if their behaviour in school has shown that they are mature and sensible enough to be trusted to walk home alone we will open this up as an option in the summer term in agreement with parents to enable them to prepare for walking to secondary school next September.

Can I please remind you that children should also be brought to the classroom door by an adult in the mornings to ensure they arrive in school safely and on time.

Thank you for continuing to work with us to keep our children safe.

Kind regards,

Mrs T Lane
