Dear Brothers and Sisters,

A mother, desiring to inspire her son's progress at the piano, bought tickets to a performance by the great Polish pianist Ignace Paderewski. When the evening arrived, they found their seats in the concert hall. Soon the mother found a friend to talk to, and the boy slipped away. At eight o'clock, the spotlights came on, and only then did they notice the boy - up on the piano bench, innocently picking out "Twinkle, Twinkle Little Star." His mother was embarrassed about it but, before she could retrieve her son, the master himself appeared on the stage and quickly moved to the keyboard.

He whispered gently to the boy, "Keep playing." Leaning over, Paderewski reached down with his left hand and began filling in the bass part. Soon his right arm reached around the other side and improvised a delightful obligato. Together, the old master and the young novice held the crowd spellbound with their blended and beautiful music.

In all our lives, we receive helping hands - some we notice, some we don't. Equally we ourselves have numerous occasions to offer helping hands. Little of what we all achieve is without learning from others and without support from others and what we receive we should hand out.

God Bless.

Fr. Wilfred Pereppadan SCJ
