

Christmas crackers for sale – from Monday 2nd December!

Our children have been busy decorating Christmas crackers and the PFA have then put a small gift and sweets inside each cracker, before tying them up.

These are now for sale at just £1 – please send your child into school with some money to buy one from Monday 2nd December! As usual, all the profits from selling these crackers will be put back into school to fund school trips, playground equipment and whatever else the PFA are asked to subsidise. Many thanks for your support.

Fiona Chandley – Chair of PFA
