Dear Parents & Carers,

9th March 2020

Thank you to all parents and carers who came to our book week events in school, we had an incredible turn out for House Assembly this week - the children were thrilled, thank you! I hope you enjoyed the events - joining us in the library, taking part in the parents' reading workshop, the quiz, decorating Potato Plot characters. It was a great week with a focus on reading - thank you Mrs Slight for organising it.

Join us again on Friday morning at 9am, to find out what your child has been learning in National Science Week.

Thank you for your continuing support as always.

Science Week

This week is science week. We have a number of guest speakers coming into school to talk to the children about the occupations and how our young people can aspire to these roles. There is a science week poster competition coming out for homework this week too. Thanks to Miss Moody for organising all the events and speakers.

Music & French Showcase

Please join us at 10.45am on Monday 16th March to see our Showcase of French and Music Learning so far this year. Classes will be performing together to demonstrate what they have learned as a class and group.

Calling all Nursery parents...

Your child will soon be bringing home a book pack each week.

In the pack, you'll find a **wordless picture book** and an **SAS Reading Challenge Book** selected for your child. There will also be a guide to explain how you can share these books with your child. Please take a few minutes each week to enjoy these books and support your child's love of books and reading.

If they would like to bring disco clothes to change into at the end of the day they are welcome to do so. **Tickets are limited because of fire regulations so please get them asap from the school office to avoid disappointment.** Thank you to the PFA for organising this event for the children & DJ Siddall for providing the music again.
