

## PFA Fundraising Target 2019-2020

**We have raised an impressive £1,765 – sadly, our fundraising was cut short this year due to the Covid-19 pandemic.....**

**TARGET - £3,500 – TARGET**

Remember ..... every penny of profit is ploughed back into the school!  
Thank you for your continuing support!

Over the past couple of years, the PFA have been saving and fundraising really hard to save enough money to put towards a trim trail for the KS1 playground. We are so pleased to say that we have **FINALLY RAISED ENOUGH MONEY** for this project to go ahead - at the moment we are waiting for the installation of the trim trail, which is scheduled for early in the Autumn term! We are also hoping to be able to carry on contributing towards school trips for every child once more, although unless we are able to hold any film nights, discos, etc. to raise funds, this will sadly not be possible.....

### FILM NIGHTS

Film nights are a fantastic way for the PFA to raise funds – and the children love them too!

Here is a list of the profits we made this year showing films:

**£240 profit** – The Secret Life of Pets 2

**£205 profit** – Toy Story 4

**£165 profit** – Angry Birds 2

**£150 profit** – Pokemon Detective Pikachu

**£130 profit** – Aladdin

Following on from the Covid-19 pandemic, we are awaiting confirmation from our Trust if we can start to put Film Nights on again in the Autumn term ... watch this space!

The PFA are always looking for new ways to raise money for our school; if you have any ideas – in particular any where social distancing is observed – please let Fiona Chandley (Y1) or Jacque Foote (FS1) know!

### OTHER NEWS

We made an overall profit of **£180** selling our easter chicks, hens and rabbits – however, due to the Covid-19 pandemic which meant school had to close on Friday 20<sup>th</sup> March 2020, we weren't able to make as much profit as we had hoped.

We also made a profit of **£695** at our Christmas disco and from sales of the Christmas crackers.

As we write this, we do not know when we will safely be able to hold another disco - we will of course keep you updated with any developments though.
