Dear Parents & Carers,

Staff and Pupil Isolation Periods

As a school we continue to work in line with DfE and public health guidance relating to cases of Covid 19 and act proactively and appropriately. We are still in a position where we have not had any positive cases of coronavirus in staff or pupils in school and, in line with government guidance, we advise pupils and staff to isolate for the required period of time when contacted by Track and Trace or if they have been in contact with someone else who has coronavirus.

With this in mind, you may notice that some staff are not currently in school, they are all safe and well and are isolating as protocol. They are currently preparing lessons, emailing work for the pupils and teaching live lessons to their class virtually from home via Microsoft TEAMS on the class interactive whiteboard; the children are being supported in class by the rest of their class teaching team.

If you have any concerns about the provision made for your child please contact me, Mrs Slight or Mr Slight by phone or email and we will get back to you.

Kind regards,

Mrs Tracy Lane
